## Book Synopsis

Most Americans remain confused about Obamacare and how it effects them. Using his insider's knowledge of the NFL, Dr. Dennis Deruelle shows how we can apply professional football's approach to healthcare to our best advantage.

Teams are the future of healthcare. Many of the new changes to healthcare are similar to the best practices of the NFL. In Your Healthcare Playbook, Dr. Deruelle uses the NFL, the most successful franchise in American history, to break down the information so that it's easy to understand. You will hear insights from key members of the NFL as well as some of the foremost doctors and safety experts who will help you and your family stay safe.

With over 20 years in practice, Dr. Deruelle comes to the rescue with a nonpartisan in his explanation of the law. He uses simple football terms to help you understand how to navigate your new healthcare.
