Studies have demonstrated that the better children are at detecting rhymes the quicker and more successful they will be at learning to read (Bradley, 1988c, Bradley & Bryant, 1983, Ellis & Large, 1987).□□

The rhymes in 'Children It's Time To Meet Your Teeth' help to educate and encourage children to explore and establish a proper oral hygiene routine early in life. This helps to ensure the development of strong and healthy teeth, a key feature shown in their beautiful smile.
