Book Synopsis

Produced by ACP and the Clerkship Directors in Internal Medicine (CDIM), IM Essentials Text and IM Essentials Questions are the next generation of MKSAP for Students and Internal Medicine Essentials for Students. Unified under the title of IM Essentials , these resources bring the self-assessment questions from MKSAP for Students and the textbook content of Internal Medicine Essentials for Students together into a single, integrated suite of educational materials. IM Essentials Text is an abbreviated medical textbook organized by the traditional internal medicine topics and includes such features as: 106 chapters (7 new chapters since the last edition) More than 250 differential diagnosis tables and treatment algorithms Over 150 color plates, imaging studies, and electrocardiograms Associated self-assessment questions linked to each chapter, available in IM Essentials Questions with direct digital link to IM Essentials Online Inside the front cover of your IM Essentials Text is the free access code to the online version of IM Essentials , which contains the complete content of both IM Essentials Text and IM Essentials Questions as well as interactive features and digital flashcards.
